Nursing Course Evaluations Policy

REASON FOR POLICY

The Instructor of Record for each nursing course offered in the School of Nursing will conduct a student evaluation of the course each semester.

APPLIES TO

All instructors of record for each nursing course.

POLICY STATEMENT

This evaluation will include:

1. The degree to which the course prepared the student to fulfill each of the course objectives.
2. Feedback on the course text and readings
3. Feedback on course materials presented (new and different or redundant)
4. Evaluation methods used
5. Appropriateness of in-class hours allowed for the course
6. Online courses are recommended to have evaluations built in by mid and end of semester.
7. Credits allocated for the course
8. Placement within the curriculum
9. Input on Assessment of Learning Outcomes, if that measurement is embedded in the course
10. Input on GEOC competencies, if that measurement is embedded in the course
11. Other items selected by the Instructor.

The preferred method to administer this course evaluation will be on HuskyCT.

Commented [AJK1]: Is this done through HuskyCT or Core ELMS?

ENFORCEMENT

Violations of this policy may result in appropriate disciplinary measures in accordance with University By-Laws, General Rules of Conduct for All University Employees, applicable collective bargaining agreements, and the University of Connecticut Student Code.

PROCEDURES/FORMS

Instructor of record for each nursing course will complete the Nursing Course Summary Evaluation Sheet found on the Q Drive in the Course Evaluation Summaries folder. The Course

Summary Evaluations are to be saved to the Q Drive in the corresponding semester the course was offered.
