alter their planned academic trajectory at various points in their program of study.

APPLIES TO

This policy applies to all graduate students in the SON.

DEFINITIONS (IF APPLICABLE)

The purpose of this policy is to define what continuous enrollment means within the School of Nursing. Students who will not be registering in coursework or research credits must register for a zero-credit continuous registration course to maintain their active student status.

POLICY STATEMENT

A graduate student is considered enrolled, a student in good standing, and is making academic progress if they are in credit or non-credit bearing courses at UConn. [Continuous registration courses](#) include GRAD 5997, GRAD 5998, and GRAD 6998, as well as GRAD 5999 (Thesis Preparation) and GRAD 6999 (Dissertation Preparation).

ENFORCEMENT

Violations of this policy may result in appropriate disciplinary measures in accordance with University By-Laws, General Rules of Conduct for All University Employees, applicable collective bargaining agreements, and the University of Connecticut Student Code.

PROCEDURES/FORMS

Enrollment in the appropriate course should occur prior to the start of the semester in which it will occur. Students who are using an employee tuition waiver should follow the timeline associated with their waiver. Student questions regarding the registration process may be directed to registrar@uconn.edu .
